

Charlotte Buntz

PE-95

THE CHAPEL AT THE UNIVERSITY OF VIRGINIA. Its cornerstone was laid in 1885 after a seven year effort by the Ladies' Chapel Society to raise the \$30,000 needed to build it. Its interior was recently renovated and a new organ installed as a memorial to an alumnus. Student sponsored vesper services are held regularly during the academic year and it is the scene of many marriages of students and alumni.

The Jamestown Festival of 1957.
Celebrating America's 350th Birthday.
